Anesthesia & Pain Control

Guest Speaker: STEPHEN WILSON, DMD, MA, PhD Cincinnati, Ohio

DR. STEPHEN WILSON is a Professor and Director of the Division of Dentistry at Cincinnati Children’s Hospital Medical Center. Dr. Wilson received his dental degree (D.M.D.) and Doctorate in Physiology (Ph.D.) at the University of Louisville in Louisville, Kentucky. His residency training in Pediatric Dentistry was done at the University of Louisville and Kosair-Children’s Hospital. Dr. Wilson also has a Master’s degree (M.A.) in Psychology that, along with his Bachelor of Science (B.S.), was obtained from Eastern Illinois University.

Dr. Wilson is a board-certified pediatric dentist and a Diplomate of the American Board of Pediatric Dentistry. He has served as a Director of the American Board of Pediatric Dentistry and as President of the American Board of Pediatric Dentistry (2003-2004). He is the current Director of the AAPD-sponsored Sedation Course, which is presented twice a year.

Dr. Wilson has been a consultant to the Federal Drug Administration (on sedation), the National Institutes of Health, and the Ohio & Colorado Dental Boards. He has published over 100 papers and spoken at numerous local, national, and international meetings. Dr. Wilson’s research interests include child behavior in the dental clinic, conscious sedation for children, and electronic monitoring during sedation.

**AN OVERVIEW FOR Oral Sedation of Pediatric Dental Patients**

This is an overview course focusing primarily on oral sedation of children for pediatric dental procedures. It is designed primarily for pediatric dentists but may be helpful to general practitioners and auxiliaries who are interested in sedation of children for dental procedures.

The topics to be discussed will include:

- Sedation guidelines.
- Pharmacology of primary sedative agents for children.
- Child assessment.
- Monitoring.
- Sedation protocol.
- Prevention of emergencies.

At the end of the presentation, you should be able to:

- Discuss the latest AAPD-AAP guidelines on sedation for elective procedures involving children.
- Describe the basic tenets of patient assessment for a safe sedation procedure including medical history review, physical and behavioral assessment.
- Describe the pharmacology of common sedatives used in pediatric dentistry.
- Describe appropriate monitors and monitoring of the sedation pediatric patient.
- Describe paperwork, informed consent, and sedation documentation.
- Describe basic principles for preventing emergencies arising from sedative procedures.

GENERAL INFORMATION

SPONSORSHIP. The UMDNJ-New Jersey Dental School (NJDS) sponsors these courses.

CREDIT. UMDNJ-NJDS is an approved course sponsor by the New Jersey State Board of Dentistry. Our courses, which deal with the scientific or clinical practice of dentistry, professional responsibilities, or ethical obligations of the profession, fulfill Board requirements for dentists’ license renewal. Credit hours are granted on an hour-for-hour basis, provided the course is completed as designed.

UMDNJ-NJDS is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Assoc. to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. UMDNJ is also an Academy of General Dentistry (AGD PACE) approved national sponsor for FAGD/MAGD credit.

MEETING PLACES. Courses are held on and off the campus of the UMDNJ-NJDS in Newark, NJ. Please be sure to check the course description for the exact course location.

REGISTRATION FEE include registration, tuition, coffee breaks, lunch for most full-day courses, handout materials, and other amenities involved in making this a pleasant learning experience.

NOTE. Sponsorship of a continuing dental education program by the UMDNJ-NJDS does not necessarily imply endorsement of a particular philosophy, procedure, or product by this institution.

REGISTRATION CONFIRMATIONS are sent two weeks prior to the course date. The information packet includes directions, parking information, room location, registration time, a receipt for tuition paid, etc.

CANCELLATIONS & SUBSTITUTIONS. Tuition for cancellations received up to two working days before a course are refundable, minus a minimum $35 registration service charge – or you may apply the full registration fee toward a future course within the same academic year. After that, cancellations are subject to the entire course tuition.

FOR FURTHER INFORMATION CONTACT: Janice Gibbs at UMDNJ-New Jersey Dental School, Continuing Dental Education, 110 Bergen Street-B701, PO Box 1709, Newark, NJ 07101-1709.

Next NJ Dental License Renewal due October 31, 2009*
Forty (40) credit hours are due for each biennial license renewal period (next: 11/07 to 10/31/09). Accepted courses shall have significant intellectual or practical content that deals primarily with matters directly related to the practice of dentistry or with professional responsibilities or ethical obligations of licensees. Not accepted: Subjects such as estate planning, financial or investment/ tax planning, personal health.
